

Fibre to the Home Council Europe

Media Update: March 2011

Update on FTTH Conference 2012 in Munich

New dates: the 9th edition of the FTTH Conference will take place on **15 & 16 February 2012** in Munich, Germany. Pre-conference workshops will also be held, on 14 February. Make a note in your diary!

FTTH Council Europe partners with SAMENA

On 8 February the FTTH Council Europe entered into a collaborative agreement with the SAMENA Telecommunication Council. Chris Holden, President of the FTTH Council Europe, and Thomas Wilson, Chief Executive and Managing Director of SAMENA, signed a memorandum of understanding, which formalises the common aims and objectives – namely to promote and accelerate the adoption of fibre-to-the-home in the South Asia, Middle East, and North Africa regions.

FTTH Conference photos and videos now online

Photos from the official FTTH Conference 2011 photographer in Milan have been posted in the online media centre. You'll find them under the "pictures" tab. And, if you haven't seen them already, our video clips will give you a flavour of the event.

General Assembly to take place on 30-31 March

FTTH Council Europe members will meet in Amsterdam at the end of the month for the General Assembly. Concurrent with this event, the Annual Report 2010-2011 will be published, detailing the achievements of the Council over the past year. The report will be available for download from the online media centre immediately afterwards.

About the FTTH Council Europe:

The FTTH Council Europe is an industry organisation with a mission to accelerate the availability of fibre-based, ultra-high-speed access networks to consumers and businesses. The Council promotes this technology because it will deliver a flow of new services that will enhance the quality of life, contribute to a better environment and increase economic competitiveness. The Council consists of more than 150 member companies. www.ftthcouncil.eu
