

## Fibre to the Home Council Europe

### Media Update: January 2016

---

#### **FTTH Council Europe responds to European Commission consultations**

The European Commission has opened a debate on the future of Europe's telecoms rulebook. In this context, two public consultations were held from 11 September until 7 December 2015 - one on Europeans' broadband needs and the other focusing on the review of the current telecoms regulatory framework. The FTTH Council Europe has published on its website the organisation's response to these consultations.

#### **Interview with Ruud Hendriks – Keynote Speaker of the FTTH Conference 2016**

The FTTH Council Europe has conducted an interview with Ruud Hendriks, entrepreneurial icon in the Netherlands and co-founder of Startupbootcamp. Ruud Hendriks will deliver the inspirational keynote presentation on Wednesday 17 February 2016 at the FTTH Conference 2016, to be held at Luxexpo in Luxembourg City.

#### **Less than three weeks to register for the FTTH Conference 2016!**

**Get your press pass NOW for the largest FTTH-related event in the world!**

Attendance at the FTTH Conference 2016 is free of charge to journalists who are in possession of a valid, recognised press card. Freelance journalists must present a commissioning letter on headed paper from a recognised news organisation or publication.

We strongly recommend advance registration for all media representatives. If you are interested into applying for press accreditation or simply want to have more information, please contact our Press officer Jean-Michaël Massenya at [pr@ftthcouncil.eu](mailto:pr@ftthcouncil.eu)

For more information, visit our dedicated media section on the FTTH Conference 2016 website: [www.ftthconference.eu/](http://www.ftthconference.eu/)

Registration is also open for general delegates! Our "all inclusive" entrance fee includes attendance at all conference sessions and workshops, access to the Exhibition Hall, to the FIBEX zone hands-on demos and first-class catering. Delegates that register online before 15 February benefit from a discount on the participation fee.

Delegates can register online on [www.ftthconference.eu](http://www.ftthconference.eu)

## Celebrate the first edition of *Fibration Night*!

Over 60% of the tickets for Fibration Night have already been sold! This first edition of Fibration Night, an evening party organised by the FTTH Council Europe, will be held during the FTTH Conference 2016 on Wednesday evening, 17 February, from 19:00 until midnight. Participants are invited to enjoy drinks and dinner in the [Big Beer Company](#) restaurant in Luxembourg City. This former brewery is a great venue for celebrating in a festive atmosphere. For more information, visit [here](#). Conference delegates are invited to purchase their tickets [here](#). First come, first served!

If you are interested in sponsoring *Fibration Night* (for FTTH Council Members only), please contact [conference@ftthcouncil.eu](mailto:conference@ftthcouncil.eu)

## Investors Workshop at the FTTH Conference 2016

An investors workshop organised as a “Knowledge Café” will be held at the FTTH Conference on 16 February 2016. On this occasion, the FTTH Council Europe will gather a renowned group of industry experts to discuss one of the most pressing issues in broadband: how to make Next Generation Access (NGA) broadly available outside urban city centres.

For more information, visit our website [here](#). The programme is now available [here](#)

Participants are invited to register [here](#)

## FTTH Conference 2016: all booths sold!

The FTTH Council Europe is pleased to announce that we have sold all our exhibitor booths for the FTTH Conference 2016.

To get the latest updates about the event, including an interactive floor plan of the exhibition, visit our conference website [www.ftthconference.eu](http://www.ftthconference.eu)

## About the FTTH Council Europe:

The FTTH Council Europe is an industry organisation with a mission to accelerate the availability of fibre-based, ultra-high-speed access networks to consumers and businesses. The Council promotes this technology because it will deliver a flow of new services that will enhance the quality of life, contribute to a better environment and increase economic competitiveness. The Council consists of 150 member companies. [www.ftthcouncil.eu](http://www.ftthcouncil.eu)
