

# BREKO Fibre Fair 2017

powered by 

25 & 26 April 2017

Messe Congress Center Frankfurt a.M.

In the light of the 2017 edition of the BREKO Fibre Fair “Deploying fibre networks - and paving the way towards the Gigabit Society” - we cordially invite you to join Germany’s leading fibre event.

The two-day event comprises a fully packed programme, including:

## Exhibition

Fibre networks from the planning stage to app development. The Who’s Who of suppliers and service providers will be on site and at your service.

## Conference

With top-class speakers from politics, academia and the industry.

## Expert seminar programme

Experts in technology & networks, products, strategy, financing, sales, human resources and many other specialists are sharing their knowledge.

## Evening Networking Event

Networking in a relaxed atmosphere at the rebuilt Palais Frankfurt.

Please make sure to register early, as free tickets for network operators, representatives from politics & media, as well as our personal guests, are limited.

Please note that the conference language is German.

### **Ticket prices at a glance:**

#### **Note regarding registration:**

In order to register for the BREKO Fibre Fair 2017, please log in to "Mein BREKO", or create an account, if you do not yet have login details. Please note that when registering, you must indicate whether you are a network operator, a media or political representative, as the ticket price depends on this information and varies accordingly.

If your e-mail address is already registered but you have forgotten your password, please first enter a random password and then choose the "forgotten password" option to receive new login details.

---

**We look forward to welcoming you!**

**Your BREKO Team**
